

Sobriety Prayer

Beloved
Creator, for Your Love,
I am eternally grateful.

Dear God, lift my consciousness
to Your greatness and grant me the
sobriety to discern the revelation
of Your truth, that I may be eternally
aware of my Oneness with You, that I
may love You with all my heart, mind,
and soul. Help me conquer the desires
of my flesh, that I may be eternally
liberated from addiction. Free me
to be an unselfish instrument
of Your Divine Will, Your
purpose to fulfill.

Amen

"FAITH IS THE MIRACLE CURE"

**JOIN THE
GLOBAL RECOVERY
MOVEMENT**

PURPOSE

The Global Recovery Movement evolved in the crisis milieu of the COVID-19 pandemic, cataclysmic climate change, and a global sense of gloom, violence, and war. Our purpose is to spark a revolt of the faithful against the enslavement of human minds by addictive chemicals and bring about a spiritual awakening that will liberate our brothers and sisters from the bondage of drugs, alcohol, and idolatry.

BACKGROUND

On any given day, there are untold numbers of people who are struggling to cast off the spiritually blinding spell of addiction; many of them are our loved ones and our neighbors. Our youth are at a high risk for abusing drugs and alcohol. Seniors are in constant danger of prescription drug abuse. Sugar addiction is a life-threatening problem for all people in every age group, contributing to type 2 diabetes and other dietary diseases. And it is common knowledge that crime, acts of violence, homelessness, joblessness, poverty and other problems are caused or made worse by addiction.

MISSION STATEMENT

Our supreme mission is to eradicate life's many addictions by equipping our brothers and sisters with the healing power of Divine Love.

"FAITH IS THE MIRACLE CURE"

GOAL

Each participant's immediate goal is to be and remain free from addiction so that all may participate in the rewarding work of helping free others from the plague of chemical addiction.

METHODOLOGY

Our way is to provide exercises and instructions designed to harmonize the thoughts, desires, words and actions of all Seekers with Divine Love. Divine Love is The Creator's Love for us and our unique ability to Love Our Creator in return.

- ❖ **Prayer and Meditation:** Ask God! Recite the "Sobriety Prayer" (first page); listen with your spirit and not your mind. **The power of your prayers will be magnified when you pray with others at sunrise, at noon, at sunset, and at midnight.**
- ❖ **Faith-Based Teachings:** "The Way to Freedom" series spiritual healing lessons, along with study guides, workbooks and other faith-based materials will be distributed free of charge. A new chapter will be reviewed monthly.
- ❖ **Providers:** Certified Providers will make high quality substance abuse treatment available to everyone who needs it. Lead Providers and Counselors will manage intake, therapy, counseling, Community support, transition, study group scheduling and other services.
- ❖ **Recovery Groups:** Experienced Recovery Movement hosts, chaplains, facilitators or counselors will guide participants through study sessions utilizing "The Way to Freedom From Addiction" series and other faith-based self-help teachings.

"FAITH IS THE MIRACLE CURE"

STRATEGY

Each participant will be asked to introduce this movement to at least four others. They can be addicted, recovering, at-risk or non-addicted persons – all have a duty to help rid humankind of this scourge. If The Creator requires a more comprehensive commitment from you, we suggest that you form a "Recovery Group" to study these teachings, meditate, and pray together in oneness. After a group has grown to ten members, and the leadership within it has pledged to advance this cause, the members should identify a group host, facilitator and chaplain, and then divide into two subgroups of five, which in turn will grow to ten and divide into two groups again, and on and on. This method will facilitate exponential growth.

PRINCIPLES: Recovery groups will utilize the following principles, exercises and practices: Prayer, Meditation, Information, Affirmations, Food/Diet, Cleansing and Detoxification.

THE TWO COMMANDMENTS OF DIVINE LOVE:

1. Embrace God's Love.
2. Love God with your all.

RECOVERY GROUP PRINCIPLES: Faith, Truth, Trust, Confidentiality, Discipline, and Solidarity.

THE FOUR PILLARS OF RECOVERY: 1) Eat nutritiously and in moderation; 2) Drink enough water; 3) Smoke nothing; and 4) Feel and express Love Divine Love.

RESULTS: By following these teachings, you will immediately set into action a geometric progression which will help liberate millions so they too will be able to enlist others to join the Recovery Movement.
